**REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323**

Sir:

In the matter of U.S. Patent No. 7,606,857 issued October 20, 2009, a check of same against the files of the attorney of record indicates that the errors described in the attached Form PTO/SB/44 were made by the Applicants in good faith.

More specifically, the following errors that were made by the Applicants, corrected in Form PTO/SB/44, are of a clerical nature:

In column 28, line 16, (claim 7), "The computer system of claim 4" should read -- The method of claim 4 --

In column 28, lines 21-22, (claim 8), "any of a, lot number" should read -- any of a lot number"

**REMARKS**

Under 35 U.S.C. 255, whenever a mistake of a clerical or typographical nature, or of minor character, which was not the fault of the Office, appears in a patent and a showing has been made that such mistake occurred in good faith, the Director may, upon payment of the required fee, issue a certificate of correction, if the correction does not involve such changes in the patent as would constitute new matter or would require examination. Applicants inadvertently made clerical errors as listed above. The errors were unintentional and made in good faith. Furthermore, it is clear that the corrections do not amount to a change in the patent that would constitute new matter or would require a search or re-examination.

The Director of Patents and Trademarks is hereby authorized to charge the Certificate of Correction fee, and any deficiencies, or to credit any overpayment to our Deposit Account No. 03-2410 (Order No. 42553-100).

Dated: May 20, 2010

Respectfully submitted,  
Doron Friedman et al., Applicants
